

Tuesday, January 24, 2023, 1:00 p.m. to 4:30 p.m.--Preconference Event

Spreading and Using Compost Field Day

Location: Agriscapes @ Cal Poly Pomona
4102 S University Dr, Pomona, CA 91768

Free shuttle from the Ontario Convention Center

This event is open to all! It is included in full conference registration and only \$30 to just come to this field day.

Register at compostconference.com

This exciting afternoon will feature equipment and techniques for getting the compost “the last mile” to where it will be used to improve soil health and protect water quality.

If you are a landscaper, a grounds manager, a farmer, or anyone who needs to apply compost efficiently, this is for you!

Application equipment for farms, vineyards, turf, and erosion will be available to see and watch. Hear about service options as well as purchasing.

Need Certified Crop Advisor credits? A total of 3 CCA CEU Credits have been APPROVED: 1.5 Nutrient Management and 1.5 Soil and Water Management.

Presentations and activities:

- 1:00 -1:30 Arrival, check in, visit with vendors
